Acting Chief, Real Estate and Construction
Division

Addition to Record Center

1. During the past week this office has been attempting to negotiate an A&E contract to perform the plans and specifications for the subject work. The lowest estimate of cost obtainable is \$17,250, exclusive of site investigation, surveys, and reproduction costs normally paid for on the actual cost basis.

2. Since only \$17,200 has been authorized for this work, it is requested that an additional \$800 be approved immediately so that this office can proceed.
